Subpart I—Fishery Negotiation Panels

SOURCE: 62 FR 23669, May 1, 1997, unless otherwise noted.

§ 600.750 Definitions.

Consensus means unanimous concurrence among the members on a Fishery Negotiation Panel established under this rule, unless such Panel:

- (1) Agrees to define such term to mean a general but not unanimous concurrence; or
- (2) agrees upon another specified definition.

Fishery negotiation panel (FNP) means an advisory committee established by one or more Councils or the Secretary in accordance with these regulations to assist in the development of fishery conservation and management measures.

Interest means, with respect to an issue or matter, multiple parties that have a similar point of view or that are likely to be affected in a similar manner.

Report means a document submitted by an FNP in accordance with the Magnuson-Stevens Act.

[62 FR 23669, May 1, 1997, as amended at 63 FR 7075, Feb. 12, 1998]

§ 600.751 Determination of need for a fishery negotiation panel.

A Council or NMFS may establish an FNP to assist in the development of specific fishery conservation and management measures. In determining whether to establish an FNP, NMFS or the Council, as appropriate, shall consider whether:

- (a) There is a need for specific fishery conservation and management measures.
- (b) There are a limited number of identifiable interests that will be sig-

nificantly affected by the conservation and management measure.

(c) There is a reasonable likelihood that an FNP can be convened with a balanced representation of persons who:

(1) Can adequately represent the interests identified under paragraph (b) of this section.

(2) Are willing to negotiate in good faith to reach a consensus on a report regarding the issues presented.

(d) There is a reasonable likelihood that an FNP will reach

a consensus on a report regarding the issues presented within 1 year from date of establishment of the FNP.

(e) The use of an FNP will not unreasonably delay Council or NMFS fishery management plan development or rule-making procedures.

(f) The costs of establishment and operation of an FNP are reasonable when compared to fishery management plan development or rulemaking procedures that do not use FNP procedures.

(g) The Council or NMFS has adequate resources and is willing to commit such resources, including technical assistance, to an FNP.

(h) The use of an FNP is in the public interest.

§ 600.752 Use of conveners and facilitators.

(a) *Purposes of conveners.* A Council or NMFS may use the services of a trained convenueer to assist the Council or NMFS in: (1) Conducting discussions to identify the issues of concern, and to ascertain whether the establishment of an FNP regarding such matter is feasible and appropriate.

(2) Identifying persons who will be significantly affected by the issues presented in paragraph (a)(1) of this section.

(b) *Duties of conveners.* The convenueer shall report findings under paragraph (a)(2) of this section and shall make recommendations to the Council or NMFS. Upon request of the Council or NMFS, the convenueer shall ascertain the names of persons who are willing and qualified to represent interests that will be significantly affected by the potential conservation and management measures relevant to the issues to be negotiated.
